Excellent

Communicate with parents

Overall good

Nothing more

*A semester should be taught for 6 months but here we have to study it within 1-2 month .

*Extra curricular activities should be encouraged. Teachers must identify the mental stress experienced by the students at this age . Not only education must be the aim of a college. Value oriented classes or career guidance can be Provided. Many Students are confused about there future.

*A college should give its students a homely feel which is now absent here which we had received from our school..

Usually

Avoid frequent examinations

Need more interactive section. Here doesn't allow any kind of entertainment program.

Conduct student programs

Always good

Techers should have to teach offline. Most of techers put all classes in google classroom. No any iind of explanation available in offline. Itas hard to study.

Even though we have offline classeses.some teachers put previous videos in google classroom nd we dont get any explanations.

Good teaching..Give time for the preparation of internal examination.

Teachers are always trying to find the best of us, for that they giving a lot of oppotunities

Provide more practical learning than just learning from classrooms.
Consider students as College students not as kg students.

Teachers must ask questions and check weather students understood the portions taken by them.

Effective student teacher open interaction

The ability of teachers to understand students and vice-versa.

Considering the class as a whole and not like some brilliant there; some idiots here.

Use better graphics and visual media.

Try to reach every students

Encourage extra curricular activities

Need more interactions between teachers and students.

Need more clubs for extracurricular activities. So students can improve their talents .

Institute should conduct programs. So that students can have enjoyment and doesn't fed up with studies.

students in this college without having any of those programs were getting mentally down by seeing the programs conducted by nearby colleges.

Teaching is best at the college. But the college is aimed only for examinations... Atleast provide some gaps in between the examination.

To improve out side exposure to students on subject

Students friendly teaching

Field visit should be included frequently to understand the subject.

H

We need gap in between exams, atleast for PG students

Its all are ok

No Suggestions

Very interestive

Encourage, cooperative, learning

Teachers should know the ability and capacity of each and every students and teach them.

Communication with the students can be improved.
Class teachers attitude towards students can be improved.
Teachers must appreciate the students for their actives

Teachers should be a little more close to the children. It is still like that but less so.

Provide cultural programme
Provide seminar on employment opportunities

Improve the general knowledge of teachers
