4.17 DEPARTMENT OF ACTUARIAL SCIENCE

(Room No 318)

The B.Sc. Actuarial Science (Hons.) programme at Mar Athanasius College (Autonomous), Kothamangalam is Kerala's first aided undergraduate programme in Actuarial Science, marking a significant milestone in Actuarial education in the state. The programme is designed to equip students with a strong foundation in mathematics, statistics, finance, economics, and risk management, while fostering analytical thinking and problem-solving abilities. With a curriculum aligned to professional actuarial standards, it seamlessly blends academic rigor with practical learning, preparing graduates for professional actuarial examinations and diverse career opportunities in insurance, banking, finance, consulting, pensions, and risk management.

Vision

To be a centre of excellence in actuarial education by developing skilled, innovative, and socially responsible professionals who can effectively manage risk and contribute to informed financial decision-making in a dynamic global environment.

Mission

* To deliver a high-quality education that integrates mathematical, statistical, financial, and actuarial principles.
* To cultivate analytical thinking, problem-solving, and data-driven decision-making through experiential and application-based learning.
* To equip students with the knowledge, skills, and professional values required for success in actuarial examinations and careers across the financial services industry.
* To inspire lifelong learning, ethical leadership, and a commitment to creating sustainable solutions for emerging financial and risk management challenges.

Sciences Biology. The programme has a balanced semester-based course structure with a flexible curricula which emphasize interdisciplinary nature of science in the 21st century and promote exploration, innovation and research. The programme has been devised specially for students with research mind set and can be pursued after higher secondary education.

The essence of this new generation programme is integration-reintegration of the many sub disciplines of biology, and the integration of Physics, Chemistry, Computer Science, Mathematics, etc. into the field of biology with an aim of creating a research community with the capacity to tackle a broad range of scientific and societal problems.

Vision

To provide high quality biology education with an emphasis on experiential learning and problem solving and to build public understanding of the living world through educational outreach activities.

Mission

* To provide understanding of living organisms and their interactions with the environment through research.
* Foster an exciting environment where teaching, research, and service will stimulate our students to serve as leaders of the people of this state, the nation, and the world
* Enrich our regional environment with the development of scientific programs to include opportunities for participation of our local communities

Knowledge is Power

VISION

To build up a community of people with character and integrity,
courage and tenacity to promote the good and fight
the evil and provide justice and fair play to all

MISSION

We are committed to prepare our students for life by imparting
knowledge which focuses on academic competence,
social skills and moral values.

THE PLEDGE

India is my country. All Indians are my brothers and sisters.
I love my country, and I am proud of its rich and varied heritage.
I shall always strive to be worthy of it.
I shall give my parents, teachers and all elders respect and
treat everyone with courtesy.
To my country and my people, I pledge my devotion.
In their well-being and prosperity alone, lies my happiness.

COLLEGE PRAYER

"Lead, Kindly Light, amidst th' encircling gloom
Lead Thou me on!
The night is dark, and I am far from home
Lead thou me on
Keep Thou my feet, I do not ask to see
The distant scene, one step enough for me."

1 PROFILE OF THE COLLEGE

Mar Athanasius College (Autonomous), affiliated to Mahatma Gandhi University, Kottayam was established in 1955. The college is owned and managed by Mar Athanasius College Association which was constituted in 1953 under the Cochin Registration of Scientific and Charitable Societies Act. Mar Athanasius College started functioning on 14 July, 1955. The formal inauguration of the college was done by His Majesty Haile Selassie I, the Emperor of Ethiopia, on 30 October, 1956. The initial financial assistance for the college was provided by the Mar Thoma Cheriya Pally, Kothamangalam and the shareholders of the Association. A generous contribution from the Emperor of Ethiopia also immensely helped the Association in establishing the college. It is constructed in 30 acres of land on a green hillock by the side of the Kothamangalam-Muvattupuzha road, about one kilometer away from Kothamangalam town and 55 kms to the east of Kochi. It extends between latitudes 10.0558° N and longitudes 76.6183° E. The built up area of the campus is about 1,67,022.19 sqft. The library area comes to 31,306.34 sqft. The college also has a multi-purpose stadium cum auditorium (Baselios Paulose Indoor Stadium) with an area of 10,000 sqft.

From its humble beginning, Mar Athanasius College has become one of the prestigious centers of higher learning in Kerala. The college offers 18 undergraduate honours programmes (14 aided and 4 self-financing), 17 postgraduate programmes (8 aided and 9 self-financing), one aided integrated postgraduate programme in Basic Sciences (Biology) and 8 doctoral programmes leading to Ph.D (Mathematics, Physics, Chemistry, Botany, Zoology, Economics, Statistics and Commerce). Certificate courses and value added courses in life sciences, humanities and commerce are offered to acquire competency in the essential job-readiness skills. Presently, the college encompasses around 2000 students, 125 teaching faculty and 70 non- teaching staff. The college provides state-of the- art infrastructure to facilitate teaching- learning process. 23 laboratories in tune with modern specifications function in the Departments of Physics, Chemistry, Botany, Zoology, Statistics, Data Analytics and Bio-Sciences. Of these, six are research laboratories to carry out research in science. The college has two instrumentation centres to house sophisticated instruments. Two air- conditioned seminar halls, a Network Resource Centre, an Academic Technology Centre, a Language lab, a Mathematics lab and a Media Centre function in the college. A multi storeyed, full-fledged library with 73678 books, 57 periodicals, 49 journals, 14 newspapers and a digital library with various digital resources are provided to meet the academic and research requirements

All the members of the faculty are Ph.D. holders and two of them are recognised research guides in Zoology. The department maintains a museum with a number of preserved organisms belonging to all phyla of the animal kingdom. An apiary unit is maintained by the department inside the college campus.

Vision

To become an excellent department of need-based education and research in Zoology, providing a platform for academic interactions in animal science.

Mission

* To inculcate an aptitude for Zoology in students
* To develop innovative research interest in students.
* To mould students to worthy citizens having social and moral etiquette.

4.13. DEPARTMENT OF ZOOLOGY

(Ground Floor)

The Department of Zoology started functioning in 1955 with undergraduate course in Zoology. At present the department offers B.Sc. Honours in Zoology with Microbiology as specialization. In 2026, the department was recognized as a research centre in Zoology of MG University.

of the faculty, students and research scholars. Since its establishment, the faculty of the college has undertaken 12 Major Research projects and about 40 Minor Research projects funded by various agencies such as UGC, DST, KSCSTE, ICSSR, MoE etc.

In commensurate with the academic facilities, futuristic infrastructure amenities are provided to develop and improve the co-curricular talents of the students. Indoor Stadium, Indoor Shooting Range, a 400 m and 200 m ground, an Olympic Size Swimming Pool (50× 25 ×2m) and a multi gymnasium are provided to inculcate sports culture among its students and thus aid in their wholesome development. The college has three ladies' hostels, a sports hostel for men, an international men's hostel with facilities for accommodating 250, 50 and 60 students respectively. It has various domain clubs and forums like drama club, film club, quiz club, music club, dance club, debate club, nature club etc for the upliftment of students' talents. The college also offers international/national faculty and student exchange programmes.

The college has the rare distinction of being the first college in Kerala to be accredited with 'A' grade by the National Assessment and Accreditation Council in 2002. 'A' grade was retained in 2010, in the second cycle of accreditation. Acknowledging the achievements of the college, in its third cycle of accreditation in 2017, NAAC accorded 'A+' grade to the institution with CGPA 3.52. The University Grants Commission conferred Autonomy to the college in 2016. 'College with Potential for Excellence' status was conferred in 2009 and was later extended up to 31 March 2019 by the UGC. The college was ranked in 92nd, 74th, 87th, 56th and 86th positions in NIRF 2025, 2024, 2023, 2022 and 2021 college rankings respectively. The college, in 2019, was one among the seventeen colleges in India to receive five crores rupees under the RUSA scheme to usher transformative reforms in the higher education system. Four departments -Physics, Chemistry, Botany and Zoology-received financial assistance from the Govt. of India under DBT Star Scheme in 2019 later extended to 2024. The college was selected for Unnath Bharath Abhiyan as part of the MHRD scheme to enhance the living standards of the people in nearby villages and municipalities. Five villages- Kothamangalam, Keerampara, Pindimana, Varappetty and Thrikkariyoor were selected as part of the scheme. The UGC, under the Paramarsh scheme, had also identified the college as a potential mentor to nearby educational institutions to acquire accreditation. The college renderd its services to five Mentee institutions of which four attained NAAC accreditation - Mar Athanasius College of Engineering (Kothamangalam), Mar Baselios Institute of Technology and Science (Nellimattom), Mar Baselios College (Adimaly), Mount Carmel College of Arts and Science (Karukadom)

and Mar Elias College, (Kottappady). The college celebrated its decennial, silver, golden and diamond jubilee with all splendour in 1965, 1981, 2004 and 2015 respectively. The college marked its 70th anniversary with a series of events commemorating 7 glorious decades of its legacy and achievements.

Over the last two decades, Mar Athanasius College has won many prestigious titles comprising international, national and state awards. For its eco- friendly activities including rain water harvesting projects, the college has won many prestigious awards instituted by various accredited bodies like Government departments, popular newspapers, bio- diversity boards and other environmental agencies. The college is the recipient of Palathully Award (2007), National Environmental Awareness Award (2008), Bhoomimithra Award (2009), Green Award (2010), One district, One Green Champion Award (2020- 21) Higher Education Minister's Excellence Award (2022, 2025), Manorama Trophy (2019 & 2021) and International Green College Award (2024). Dr. Winny Varghese, former Principal of the college, was honoured with Dr. Sam Higginbottom Award for the best Principal of India (2009) instituted by All India Association for Christian Higher Education (AIACHE), New Delhi. Dr. Manju Kurian, Principal was honoured in 2023 with Berchmans Award and Fr. Dr. Jose Thekkan Award for the best teacher in the State instituted by Kuwait Alumni Chapter of SB College Changanassery and Christ College Irinjalakuda respectively. The college is often recognized as one of the best NSS units by the Ministry of Youth Affairs and Sports for its outstanding work done under NSS. Awards have also been conferred to the programme officers who coordinate the activities of the unit.

Mar Athanasius College has made sterling achievements in the field of sports and games. The Sports Council of Kerala selected the college as the 'Best College in Sports' in 2014 and 2023. The college was accredited by KHELO India as its center in Athletics, Aquatics and Football. The Sports Authority of India (SAI) chose the college as a sub- center in Athletics (2007). The college athletic team has won the university championship for seventeen times and has been the runners up for three years. The Women athletics team was the champions in 2021 and 2023. The College won the University Championship in football eight times and was the University champions in Volleyball for four times. The college won the University Championship in cross country race nine times; won the University Championship in Swimming (Men) seven times; won the University Championship in Swimming (Women) for five times. The college won the University Championship in Water Polo (Men) six times. Since 2019, Mar Athanasius Football Academy has been participating in the Professional Football League organised by Kerala Football Association and won the first college Sports League in 2025. The college has also produced 29 international

4.11 POSTGRADUATE AND RESEARCH DEPARTMENT OF CHEMISTRY (Room No. 147)

The Department of Chemistry established in 1959 as an under graduate department is one of the most vibrant departments of the college. The Department offers B.Sc Honours Chemistry with Materials Science and Natural Products Chemistry as specialization, M.Sc and Ph D programmes in Chemistry. Chemistry is also offered as Minor, Multi Disciplinary, Value Addition and Skill Enhancement courses to the students of various undergraduate programmes. The department coordinates certificate course in Modern Analytical Techniques and various value added and add-on courses. The department is well equipped with sophisticated instrumentation facilities and modern laboratory techniques. 100% of the faculty members are Ph. D holders and research guides who lead research in diverse areas of scientific advancement including materials science, catalysis, organic synthesis, polymer chemistry, co-ordination chemistry and environmental chemistry. The department already has about 170 research publications and one patent to its credit. The department runs a water testing lab approved by the Kerala State Pollution Control Board in association with the Department of Microbiology.

Vision

The department of Chemistry envisions to pioneer in academic quality and research in Chemical Science through our skilled training for undergraduate, postgraduate and research students.

2. COLLEGE MANAGEMENT

Mar Athanasius College Association was constituted as a society registered under the Cochin Registration of Literary, Scientific and Charitable Societies Act. The second venture of this charitable society is Mar Athanasius College of Engineering in 1961. The Association has also initiated a school at Adimali, for the benefit of students in high ranges. In tune with 'catch them young' policy, the association also offers a broad and stimulating international educational experience at Mar Athanasius International School to groom the budding talents as global citizens. These institutions have made headway in all disciplines on account of the untiring efforts of several stalwarts, particularly that of Prof. M. P. Varghese, the dynamic visionary who headed these institutions to glory through the years as the Secretary of the College Association. Under their able and devoted leadership, the association is marching ahead with unparalleled success. The clear vision, firm determination and utmost dedication of its charioteers and the abundant blessings of God Almighty have enabled the college to make significant strides and establish itself as a centre of excellence in the field of higher education.

Mar Athanasius College Association has now more than 360 shareholders, a governing body consisting of 62 members elected by and from the shareholders. It has also an Executive Committee comprising of H.G. Dr. Mathews Mar Aphrem as the Chairman, Sri. A.G. George as the Vice Chairman, Dr. Winny Varghese as the Secretary, Sri. George K Peter as the Treasurer, and Sri. M.M. Issac, Dr. George Issac, Dr. Benny Alexandar, Dr. Manju Kurian, [Principal, Mar Athanasius College (Autonomous)], Dr. Bos Mathew Jos, [Principal,Mar Athanasius College of Engineering (Autonomous)], Mrs. Anitha Nair K, [Principal, Mar Athanasius International School] and Mr. Rajesh [Principal, Mar Athanasius Public School] as the members.

4.10 POSTGRADUATE AND RESEARCH DEPARTMENT OF PHYSICS (Room No. 129)

Established in 1959, the Postgraduate and Research Department of Physics at Mar Athanasius College (Autonomous) has a distinguished legacy of excellence in teaching, research, and innovation. The department offers B.Sc. (Honours) Physics with specializations in Computational Physics and Biophysics, along with M.Sc. and Ph.D. programmes in Physics. To enhance students' technical and employability skills, the department also offers value-added courses in Python Programming, MATLAB, LaTeX and Material Characterization Techniques.

The department has established a Letter of Intent with the Sunway Centre for Electrochemical Energy and Sustainable Technology (SCEEST), Sunway University, Malaysia, to promote collaborative research, faculty and student exchange, and joint academic activities. It has also signed an MoU with National Paints Factories Co. Ltd. to strengthen industry–academia collaboration through research, internships, training, and technology-oriented initiatives.

Vision

To build foundation for excellence and spur development of the institution as a premier institution by igniting and nurturing enthusiasm, interests and passion, in the study of Physics, as a part of curricula with the objective of sustainable development of economy and society as a whole.

Mission

* To set high standards of comprehensive education by developing the intellectual strength of students and guiding them towards scientific and technical excellence.
* To awaken the young minds and discover their talents both in theory and in practical Physics, through dedication to teaching, commitment to students and innovative instructional methods.
* To create opportunities for the students and staff to enhance their skills to interact with industry.

4·9 RESEARCH DEPARTMENT OF STATISTICS

(Room No. 142)

The Department of Statistics established in the year 1982 offers B.Sc. Statistics Honours with Data Analytics and Machine Learning as specialisation. In 2026, the Department was recognized as a research centre in Statistics of MG University. It is one of the very few departments under MG university, offering undergraduate programme in Statistics. From the beginning, the department has been showing consistent performance in terms of academic competence. Students of our department secure admission for higher studies in various reputed institutions and excel there. The department is blessed with the support of alumni members, who are well placed in various academic institutions, government/public sector institutions, private institutions, etc. both within the country and abroad.

Vision

To build up a community of people with strong foundation in Data Science concepts and to motivate them to achieve higher goals in life.

Mission

* To make the students competent in the field of Data Science.
* To impart knowledge which focuses on academic competence, social skills and moral values.

7. RULES AND REGULATIONS OF THE COLLEGE

Every student of the college shall carefully note the following rules and accepted traditions and respect them both in letter and spirit

7.1 ADMISSION AND WITHDRAWAL

1. All candidates for admission must acquaint themselves with the rules and regulations of the college and will be bound by them if admitted.
2. They must produce at the time of admission their Transfer Certificate and Certificate of Conduct from the school or the college which they last attended and mark sheet or their university pass certificate (if issued by the university) if they are applicants for admission to the B. A./B. Sc./B. Com. / B.Voc/ M. A. /M.Sc./M. Com. classes.
3. The Principal reserves the right to refuse admission to any applicant, without assigning reasons.

should be handed over to the clerk in-charge of attendance. A proper medical certificate should be submitted along with the leave application when the period of leave extends to more than five days or when it synchronizes with the date on which end semester or internal examinations are held. No student shall absent himself from the class without the sanction of leave. The student shall bear in mind that proper and timely submission of application for leave of absence is a pre-requisite for applying for exemption in case of shortage of attendance.

The students absenting themselves without leave for more than 15 consecutive working days will have their names removed from the rolls and if seeking re-admission, they shall have to pay all the fees. If temporarily removed, they need not pay the re-admission fee, provided they pay their college fee on the due date. The duration of temporary removal may be prolonged as far as three months from the commencement of the period of absence, after which the student's name will be permanently removed from the rolls and he/she will have to pay the re-admission fees on joining.

It is the student's own responsibility to make sure that he/she has earned the attendance necessary for the year. Every student has to earn attendance of 75% for boys and 73% for girls in each semester. Attendance will be calculated by the number of hours present. If leave is required for the afternoon session only, the student should appear in person before the Head of the Department concerned and get the application for leave recommended by him/her. Only medical leaves sanctioned by the Principal in prescribed form with in 5 days will be considered for condonation of shortage of attendance.

The Principal shall be the sole authority to condone such absence based on the commendation of the Head of the Department concerned. The students shall be eligible to continue his/her programme during the succeeding academic year only if he/she has secured 75% for boys and 73% for girls of attendance during the preceding year.

6.6 FACULTY ADVISORS

Each class will have a faculty advisor who will be a teaching faculty of the respective department and will be the in-charge of all activities concerning the class. The faculty advisor will guide the students for all their academic, co-curricular and extracurricular activities. Each student of the class can reveal their concerns regarding academic, personal, interpersonal or any other problems to the faculty advisor and avail advice. All the submissions and applications to the Principal or HOD should be recommended by the faculty advisor.

6.7. MENTORS

Each class is divided into groups of 20 students. Each of these group will

have a mentor who will be a faculty member of the respective department. The mentor will have a close relationship with the students in their academic, personal and career matters.

6.8. INTERNAL ASSESSMENT PROGRAMME

Internal assessment programme has been introduced, by Mahatma Gandhi University, for undergraduate classes (since 1998 admission) and postgraduate classes (since 2001 admission). Accordingly, test papers, assignments and seminars will be conducted at regular intervals and a record of the marks obtained for the same by the students will be maintained by the teachers for internal assessments. The evaluations of all components are to be published and are to be acknowledged by the candidates.

6.9 END SEMESTER EXAMINATIONS

The external theory examination of all semesters shall be conducted at the end of each semester. For PG courses, both End Semester Evaluation (ESE) and Continuous Evaluation (CE) shall be carried out using direct grading system. The direct grading for CE (Internal) and ESE (External Evaluation) shall be based on 6 letter grades (A+, A, B, C, D and E) with numerical values of 5, 4, 3, 2, 1 and 0 respectively. Practical examinations shall be conducted at the end of each semester or at the end of even semesters as prescribed in the syllabus of the particular programme. The end semester examinations shall be of three hours duration.

Four Year Under Graduate Programme (FYUGP)

Assessment and Evaluation

The assessment shall be a combination of Continuous Comprehensive Assessment (CCA) and an End Semester Evaluation (ESE). 30% weightage shall be given for CCA. The remaining 70% weight shall be for the ESE.

Teacher Specific Content will be evaluated under CCA.

CCA will have two subcomponents Formative Assessment (FA) and Summative Assessment (SA). Each of these components will have equal weightage and to be conducted by the course faculty/ course coordinator offering the course.

FA refers to a wide variety of methods that teachers use to conduct in-process evaluations of student comprehension, learning needs, and academic progress during a lesson, unit, module or course. FA is to encourage students to build on their strengths rather than fixate or dwell on their deficits. FA can help to clarify and calibrate learning expectations for students. FA will help students become more aware of their learning needs, strengths, and interests

so they can take greater responsibility over their own educational growth. FA will be prerogative of the course faculty/ course coordinator based on specific requirement of the student.

Summative Assessments (SA) are used to evaluate student learning, skill acquisition, and academic achievement at the conclusion of a defined instructional period- typically at the end of a project, unit, module, course or semester. SA may be a class tests, assignments, or project, used to determine whether students have learned what they were expected to learn. It will be based on evidence, collected using single or multiple ways of assessment. The systematically collected evidences should be kept in record by course faculty/ course co-ordi nator and the marks should be displayed on the college notice board/ other official digital platforms of the college before the end semester examinations.

A student may repeat SA only if for any compulsive reason due to which the student could not attend the assessment.

The course faculty/ course coordinator shall be responsible for evaluating all the components of CCA. However, the college may involve any other person (External or Internal) for evaluation of any or all the components as decided by the Academic Council from time to time in case any grievances are raised.

Practical Examination

The end semester practical examination will be conducted and evaluated by the institution.

The scheme of evaluation of practical courses will be as given below:

Components for the Evaluation of Practical Courses	Weightage
CCA of practical/practicum.	30%
ESE conducted under the supervision of internal examiner	70%

Those who have completed the CCA alone will be permitted to appear for the ESE.

11.5 Explanation:

The last opportunity for payment of an instalment of fee mentioned in para iv. above is defined as the last working day prior to the due date of the succeeding instalment. But in the case of the last semester fee, i.e. the fee due for February, the last opportunity is fixed as 5th March. If the 5th of March happens to be a holiday then the last working day previous to such a date will be considered as the last opportunity.

11.6 Publication of the names of defaulters:

The names of defaulters of semester fee will be published in the notice board immediately after the last opportunity fixed for the payment of the semester fee.

11.7 Payment of Fees in certain other cases:

Students who are admitted for a semester for making up shortage of attendance for the programme which the student was undergoing, should pay one-third of the tuition fees for the year together with full special fee and caution deposit at the time of admission. Only the former students of the college shall be admitted as semester students.

11.8 Payment of Fees by casual students:

In the case of a casual student, all fees including special fees and caution deposit due for the whole year will be collected at the time of admission.

11.9. Refund of Fees

Fee once paid in the college office and thus remitted to Treasury cannot be refunded; instead a remittance certificate may be issued to the students who have failed to attend classes.

11.10.Collection of Fees.

Fee will be received in the college office only on days fixed for collection during office hours upto 3pm. If the student does not pay the dues till the last date prescribed, he / she will not be allowed to appear for the examination.

Note:- Rules concerning the collection of fees will be subject to University / Government orders.

N.B. (i) The student should keep in safe custody the receipt issued on remittance of Caution Deposit. The caution deposit amount will be refunded only if the caution deposit receipt is produced along with the application for refund of caution deposit.

(ii) Late fee at the rate of Rs. 55/- will be collected from the students who obtain T.C. after one year of the completion of the programme.

For PG CSS

DIRECT GRADING SYSTEM

Direct Grading System based on a 6- point scale is used to evaluate the Internal and External examinations taken by the students for various courses of study.

Grade	Grade point (G)	Grade Range
A+	5	4.50 to 5.00
A	4	4.00 to 4.49
B	3	3.00 to 3.99
C	2	2.00 to 2.99
D	1	0.01 to 1.99
E	0	0.00

Performance Grading : Students are graded based on their performance (GPA/SGPA/CGPA) at the examination on a 7-point scale as detailed below.

Range	Grade	Indicator
4.50 to 5.00	A+	Outstanding
4.00 to 4.49	A	Excellent
3.50 to 3.99	B+	Very good
3.00 to 3.49	B	Good(Average)
2.50 to 2.99	C+	Fair
2.00 to 2.49	C	Marginal
up to 1.99	D	Deficient (Fail)

No separate minimum is required for Internal evaluation for a pass, but a minimum **C grade** is required for a pass in an external evaluation. However, a minimum **C grade** is required for pass in a course.

16. RESEARCH AT MAR ATHANASIUS COLLEGE

16.2 DEPARTMENT OF PHYSICS

The Research Centre in Physics was started in November 1999. Active research work is going on in the field of Material Science - Thin film Gas Sensors,Solar Energy Materials and Photo catalytic Applications of transition metal oxide films, Applications of Magnetic materials and Optics. The centre has a good number of research publications of international repute to their credit. So far, 4 Ph.D.s have been produced and 3 full-time and 6 part-time research scholars are actively pursuing research activities leading to Ph.D. degree. Besides, many of our PG students are publishing their project work in reputed journals.

16.7 DEPARTMENT OF STATISTICS

The Research Centre in Statistics was sanctioned in 2026 under Mahatma Gandhi University, Kottayam. The Centre aims to promote high-quality research in Statistics, Data Science, Artificial Intelligence, Business Analytics, Biostatistics, Econometrics, Statistical Modelling, Bayesian Analysis, and Multivariate Statistical Techniques. It provides a vibrant research environment that fosters interdisciplinary collaboration, innovation, and evidence-based decision-making through advanced statistical methodologies. The research centre is committed to nurturing scholars capable of addressing real-world challenges using modern statistical and data analytical tools.

17. STUDENT ORIENTED ACTIVITIES

17.1 NATIONAL CADET CORPS (NCC)

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure, and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained, and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

The NCC provides exposure to the cadets in a wide range of activities, with a distinct emphasis on Social Services, Discipline, and Adventure Training. It has emerged as the biggest uniformed youth organization of the country symbolizing its motto 'Unity and Discipline'.

The expenditure of the Program is shared by both Central and State Governments.

The NCC is open to all regular students of schools and colleges voluntarily.

The officers and cadets have no liability for active military service.

The Corps which started in a small way with a cadet strength of 1.67 lakhs (only 32,500 Senior Division and 1,35,00 Junior Division cadets) has now grown to 13 lakhs. While this figure by itself is quite substantial, it covers only 3.8% of the eligible student population of our country.

During the 1965 and 1971 wars with Pakistan, NCC cadets were the second line of defence. They organised camps to assist the ordinary factories, supplying arms and ammunition to the front, and also were used as patrol parties to assist in capturing the enemy Paratroopers. The NCC cadets also worked hand-in-hand with the Civil Defence authorities and actively took part in rescue work and Traffic Control.

After the 1971 Indo-Pak War, the NCC syllabus was revised. Rather than training to become the second line of defence, the NCC syllabus laid greater stress on developing qualities of leadership and Officer-like qualities. The military training which the NCC cadets received was reduced and greater importance was given to other areas like social service and youth management.

NCC is not an organisation which serves as a 'feeder' for the entry of students into the Defence Services. It is an organisation to make them useful citizens of the country, irrespective of the vocation they may choose on completion of their studies. Hence, NCC activities are only a 'means to an end;

the 'end' being the achievement of the "Aims of NCC" in the context of the students.

17.2 NATIONAL SERVICE SCHEME (N.S.S.)

The aim of the N.S.S is to educate the students through community service and to enrich their personality and deepen their understanding of the social environment in which they live. It is intended to arouse the social conscience of the community by preparing them to be useful to the society.

The membership in N.S.S is voluntary and is strictly on a selective basis. Each student is subject to its discipline and code of behaviour. Every student attending the N.S.S. will be required to put in the minimum time equivalent of 120 hours in each academic year, to be eligible for the certificate issued by the university. The holders of such a certificate will be given incentives similar to

17.3 IQAC

The Internal Quality Assurance Cell (IQAC) is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the college. It ensures the efficiency and effectiveness of the measures taken to provide high quality education.

The IQAC is established to achieve the following objectives:

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the college
2. To promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices

IQAC Co-ordinator : Dr. Minnu James

NAAC Co-ordinator : Dr. Binitha R.N.

NIRF Co-ordinator : Dr. Binu Varghese

17.4 HUMAN RESORCES DEVELOPMENT CELL

Career guidance is very much essential to students for successfully planning their future in today's competitive world. Career and educational guidance is considered as an integral part of college education today. With this view in mind, a career information section functions in the library. It has a separate reading centre in which guides and literature of almost all competitive exams for professional courses and jobs are available..

The main objective is to prepare students to face the competitive selection procedure and place students in respectable organizations. The cell organizes lecturers, seminars, group discussions, mock interviews. It also provides career guidance, entrepreneurship and personality development programmes. The cell also takes initiative to provide information and assistance to students for competitive examinations

Teachers-in-charge: Co-ordinator : Dr. Deepa S.

Member : Dr. Shalini Binu

17.5 ENTREPRENEURSHIP DEVELOPMENT CLUB

Entrepreneurship Development Club promotes entrepreneurship among the students. Various classes are arranged to inculcate a proper entrepreneurial culture among the youth in a bid to tackle unemployment and to foster industrial growth and thus nurture the latent entrepreneurial talents.

17.6 CULTURALFORUM

Cultural Forum systematically plans, organizes and executes various cultural programmes and activities in the college. It consists of Literary Club, Speaker's Forum/Debate Club, Film Club, Readers Forum and Drama Club. Speaker's Forum /Debate Club is a platform where the students can express their ideas in an open forum. Drama Club is designed for the students interested in learning more about the aspects of theatre. Film Club focuses on watching quality films and having discussions regarding the movies.
