Alumni Curriculum Feedback 2021-22

Alumni Curriculum Feedback Report 2021-22

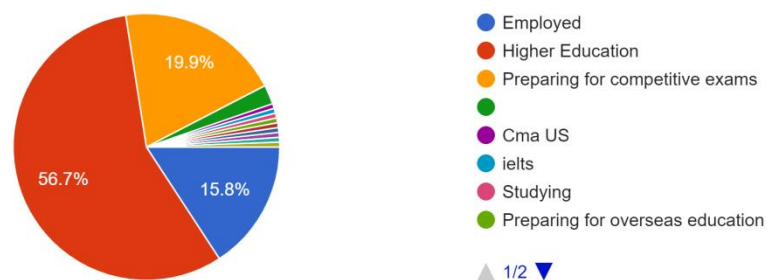

The alumni curriculum feedback survey, conducted online, gathered responses from 171 pass-out attendees. The survey comprised nine questions covering various aspects of the curriculum. Respondents were asked to rate specific items using a 5-level scale, with options ranging from "Poor" to "Excellent."

Analysis of the Report

The alumni curriculum feedback report indicates a strong level of satisfaction with the quality of education received from the institute. The majority of the alumni express appreciation for the comprehensive academic foundation provided. However, their feedback suggests a desire for greater emphasis on extracurricular activities alongside regular academics. They believe that promoting extracurricular engagement would enhance students' overall development, fostering essential skills beyond the classroom setting. This feedback highlights the alumni's recognition of the institute's strengths while encouraging a more holistic approach to education that nurtures both academic excellence and personal growth through diverse extracurricular opportunities.

Below is a graphical representation of the student responses to each question.
