Action Taken Report Based on Curriculum Feedback 2020-21

Action Taken Report Based on Curriculum Feedback 2020-21

Based on the feedback taken from students, teachers, alumni and employers, the following measures are instituted in the college.

A) A one week online faculty development programme on E-content Management in association with ICT Academy of Kerala was organized from 23 June 2020 to 30 June 2020. This programme was initiated to ensure better online teaching and learning process in the college during the pandemic days.

B) Internet facility is ensured throughout the campus.

C) Department of Chemistry and Department of Physics conducted Nobel Laureate's Online Lecture series which broadened the academic perspectives of the students. All the departments organized webinars with speakers from distinguished higher education institutions as well as industry.

D) Teachers prepared teaching plan of the current academic year and made it available for the students.

E) Remedial classes are conducted by each department. Also, each department submitted a detailed report of the remediable classes to the principal.

F) Each department listed various courses that supported skill development, employment and entrepreneurship and made it available for the students.

G) The college decided to support more field projects and internships which were in risk during the covid pandemic period.

H) About thirty new value added courses are proposed to start in college from the academic year 2021-22 as per the suggestion of Student's feedback 2020-21.

I) A compulsory bridge course is proposed to be given to the UG and PG first year students immediately after the commencement of their classes from the academic year 2021 -22.

Principal

Dr. Shanti A Avirah
