# Student's Curriculum Feedback 2020-21

## Student's Curriculum Feedback 2020-21

The survey consisted of 10 questions regarding the curriculum and other aspects of our college. The respondents were to rate a specific item on a 5 level scale consisting of the levels "Poor", "Satisfactory", "Good", "Very Good", "Excellent". Finally, an option was given for "Suggestions". The survey received around 600 responses.

The following are the given questions and its response in graphical format.

The academic syllabus was significant and updated.

The curriculum is designed to develop ability to analyse real life issues.

567 responses

- Strongly disagree
- Disagree
- Neutral
- Agree
- Strongly Agree

48%  15.2%  28%
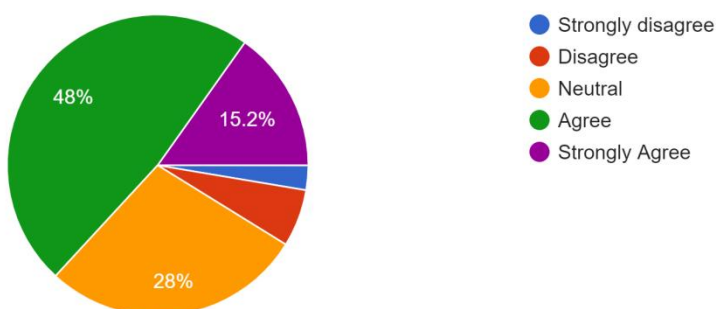

## Suggestions by the students

- The curriculum can be redefined to develop the ability to interact the real life problems.
- Want more extra curricular activities.
- It will be effective if internship of one month are allotted every year.
- More offline classes should be employed.
- Internet facility should be given.
- Some students complained that the syllabus is too vast and it is not comfortable to finish in prescribed time.
